

## **Fabian Krusa – Treasurer**

**Proposer: Harry Dow**

**Seconder: Rebecca Morrish**

**PPE – Year 1**

**Motivation and plans:** I want to be JCR Treasurer because I want to contribute, in line with my interests, to make the Hatfield experience extraordinary for everyone. As JCR Treasurer, I will:

- **Review the payment process for Formals and consider further possibilities to digitise payments concerning the JCR**
- **Make sure that the budget is distributed fairly, supporting all clubs and societies**
- **Always be approachable for all members of the JCR and staff**

**Involvement:** Since I came to Hatfield last October, I have been involved as Junior Treasurer and as a member of HCBC Senior Squad. I am keen to attend all college events, particularly formals. Apart from College, I have been involved in DU sports, Debating and Volunteering and I am eager to be the best I can in whatever I do.

**Experience:** This year, I have been JCR Junior Treasurer, so I have a good knowledge of what the role encompasses and how financial processes within the JCR work. Additionally, I was Treasurer for Hatfield Sessions, planned the budget and took care of payments. Before university, I was also on Treasury Committees for Debating Conferences and served as the Treasurer for my Sixth Form Graduation Ball last June.

**Suitability:** Beyond my experience, I am perfectly suited for this role as I am highly organized and efficient in my work. My main interests are with Economics and Finance and I am a very reliable, but also approachable person and I have a lot of experience communicating with staff and students.
